Sir:

Responsive to the Office Action dated October 15, 2007, further and favorable reconsideration is respectfully requested in view of the foregoing remarks and attachments.

Consideration After Final Rejection

Although this response is presented after final rejection, the Examiner is respectfully requested to consider the remarks and attachments, as they clearly place the application in condition for allowance.

Patentability Arguments

The patentability of the present invention over the disclosure of the reference relied upon by the Examiner in rejecting the claims will be apparent upon consideration of the following remarks.
